I hereby agree that my data may be stored for the use of communication and for sending information like newsletters or revised Demeter Standard of Biodynamic Federation – Demeter International e.V. If you don't want to get the newsletter please send an e-mail to ute.bucholski@demeter.net .

Place, Date	Signature of the enterprise manager

**I/We herewith confirm that the statements in this sheet are given to the best of my/our knowledge and are in accordance with the facts.
Hereby I/we make an application to Biodynamic Federation – Demeter International e. V. for the admission as an applicant (application fee 450 Euro).**

Place, Date	Signature of the enterprise manager

Please also hand in:

- your valid **organic certificate** in which the conditions and the organic products are listed as well as the legal entity (name of the company)
- your organic inspection report

- a written confirmation from your Demeter supplier
- a written procedure for separation/traceability of Demeter products before inspection

If all documents are available, we will charge 450 Euro according to the license fee system to process the application form and which covers the 1st evaluation of your Demeter inspection documents.

We then will conclude a licensee contract with your company. This contract will authorize you only after the annual Demeter inspection and certification to use the Demeter trademark.

We are looking forward to taking up new partners. However, we need to inform you that the executive board of BFDI has the right to turn down an application without giving reasons.
